**Membership Information**

Ask your neighbors if they are members of the BHCA. If not, let them know for \$35 annually, they get bimonthly newsletters containing important information regarding the Braddock Heights Community. They will have voting rights at general meetings on issues involving the BHCA pool, park and pavilion. They should also know BHCA represents their interests at the county level when necessary. This includes pedestrian safety, traffic issues, blighted properties and more. We are all volunteers and we need volunteers to support the Board Directors in a myriad of operational areas. The newsletter contains dates of important events - annual spring and fall picnics, pool opening and closing, clean-up dates, etc. Come join the fun! **PRESIDENT'S CORNER**

**B**raddock Heights Neighbors, The summer swim season has started out nicely thanks to the hard work of the Pool Committee and its many volunteers who painted, cleaned, repaired, and straightened things around the pool. Special thanks to Lisa Tosh who heads the committee and committee member Frank Lebhertz who spent countless hours dotting the "Is" and crossing the "Ts" so we could pass the annual county health inspection. I also want to publicly thank Tom Dixon, Craig Campbell and Mike Cottrell for their work on making our parade and picnic in the park a great success. We are grateful to the Vindobona staff for allowing us access to their parking lot, not withstanding they had an event at the

same time. The Playground Committee will meet soon and propose the first major playground apparatus for the Board's approval. We are hopeful we can have it installed no later than mid-summer. Finally, just as we opened the pool, your Pool Committee is already planning the always enjoyable Summer Splash event to mark the end of the swim season. We will need volunteers to help plan and execute this event, so don't be bashful. 'Til then, we'll see you at the pool or in the park. Have a fun-filled summer!

Doug Sims,  
*President*

**BRADDOCK HEIGHTS HISTORICAL SOCIETY (BHHS)  
NEWS AND INFORMATION**

**T**he annual BHCA parade and picnic provided another great chance to reminisce and look back at the wonderful history of Braddock Heights. This year Bill McCutcheon drove the BHHS "float" (aka his John Deere tractor and trailer) with a scale replica of the Braddock Heights observation tower. Bill also brought along lots of other memorabilia and pictures that the community got to peruse during the picnic. Early Braddock Heights transportation options were on display as well ... Neil Sandler rode the parade route in his original Pennyfarthing bicycle.

Pick up your copy on Amazon or at local booksellers.

If you are interested in helping out with future BHHS events, please contact Mark Koltz at [markkoltz@gmail.com](mailto:markkoltz@gmail.com) or 240-490-7951. In the meantime, please reach out and share all Braddock Heights memories or memorabilia for our archives.

The observation tower stood 40 feet when first built in 1894 and offered great three to four state views with a telescope on the top landing (Maryland, Virginia, West Virginia, and sometimes Pennsylvania). The original tower had deteriorated and was torn down by Potomac Edison and rebuilt in 1931 with a stone foundation by George Fulmer who also constructed many of the local homes. Fireworks were often launched from the tower on the 4th of July to the delight of Frederick and Middletown Valley residents.

In case you missed it, Bob Savitt gave a great presentation on the glory days of Braddock Heights as part of the Myersville-Wolfsville Area Historical Society meeting in June. Bob's book, *Middletown Valley*, includes an insightful chapter on Braddock and is filled with numerous pictures.

*Replica of the old BHCA Observation Tower in the spring parade thanks to Bob McCutcheon*

## SPRING EVENTS RECAP

The annual Egg Hunt was a success, with over 40 children coming out to enjoy the event. A big THANK YOU to Leah Koltz for leading the event for the last few years. We are looking for a youth who would be interested in taking over the event from Leah, who will head off to college next year. This is a great way for young people to build their planning and organization skills, and it also provides them with volunteer credits. Please pass the word, and let any board member know if there is a young volunteer in your family who might be interested.

We had to push the Spring Sports Parade and Picnic to our rain date, but well over 100 people enjoyed the event in the following Saturday. Even then, a storm came through that forced us to wrap things up a little early. Thanks to all the volunteers who assisted with coordinating and running these two back-to-back events. We'd like to expand the parade next year, and are looking for ideas that would produce a larger crowd. One idea on the table would be to invite dog owners to join in the 1.5 mile walk from Vindobona Nursing Home to the park. We will share more information about next year's parade and picnic as we plan out these events late this year.

The Pool Committee has several **sub-committees:** *Technical, Pool Polices (Rules), Marketing, Pool Operation/Maintenance, Summer Splash, Facebook and Playground Equipment.* FYI: Anyone may participate as a sub-committee member without being a Pool Committee member. Please let us know if you would like more information! Or, you could attend a meeting (no commitment) just to meet the group and assess your interest level. (Sub-committee members do not need to attend monthly meetings!) We meet monthly at my house, in Braddock Heights, on the second Monday of each month (except for the month of December) to discuss and resolve issues, as well as plan and implement necessary improvements. Snacks & beverages are provided. Meetings typically last 1 1/2 hours and, while the agenda is usually packed, the atmosphere is casual and there are a lot of laughs.
